

We are thankful for the support of our Business Partners who enable us to bring high-quality, content rich professional development opportunities to our members. Many have asked if there are ways in which you can engage during our Spring and Fall 1-day events.

We offer the following opportunities for consideration:

Have your logo displayed on the large display screen during morning networking and registration and your company mentioned during Welcome Remarks.
(Multiple opportunities available).

SILVER | “BREAKING-BREAD” LUNCH SPONSOR **\$500**
Have your logo displayed on the large display screen while attendees enjoy lunch and networking.
(3 opportunities available).

GOLD | “STEP RIGHT UP” SPEAKER INTRODUCTIONS **\$750**
Take center-stage at the podium and to introduce our presenters. You and your company will be announced, and your company logo will be displayed during introductions. An additional mention of your company will also take place during Closing Remarks.

HOW DO I SECURE A SPONSORSHIP?

Sponsorships can be selected through the registration portal. Once the designated quantities are reached, they will be gone.
