

Andrew Tarvin is the world's first Humor Engineer teaching people how to get better results while having more fun.

Through his company, [Humor That Works](#), Andrew has helped more 35,000 people at 250+ organizations—including P&G, GE, ESPN, Microsoft, the U.S. Navy, PepsiCo, and the International Association of Canine Professional—learn to be more productive, less stressed, and happier. Combining his background in business with his experience as an international comedian, his programs are engaging, entertaining, and effective.

Prior to starting his company, Andrew was a top-rated project manager at Procter & Gamble, managing million dollar projects for a \$350 million business. He is also an accomplished comedian, having performed in more than 1,000 shows all around the world.

Andrew is the best-selling author of [\*Humor That Works: The Missing Skill for Success and Happiness at Work\*](#), has been featured in *The Wall Street Journal*, *Forbes*, and *FastCompany*, and his [TEDx talk](#) has been viewed over 4 million times. He has delivered programs in 50 states, 20-plus countries, 6 continents, and 1 planet (Earth). He loves the color orange and is obsessed with chocolate.
