

# **Seaview Hotel Registration NJPPA Spring Conference**

We look forward to seeing you at the upcoming NJAPPA Spring Conference! Please see this important update regarding hotel room reservations for the event:

The Seaview property is currently undergoing a transition from Seaview (Wyndham) to Seaview Hyatt. As a result of this change, the online booking links are no longer active, and the hotel is unable to create new reservation links for

approximately the next 10 days.

## How to Book Your Room

Until the hotel's transition is complete, all room reservations must be made by phone.

Please contact our dedicated rooms coordinator from DLP:

Carolyn — 609-748-7608

Or you can contact Seaview Directly to make a reservation at:

Seaview Hotel: 609-652-1800

## Reservation Deadline

Seaview is granting us an extension of the room block cut-off date and the final updated deadline will be provided when available. In the meantime, we strongly encourage you to secure your room as soon as possible by contacting DLP or Seaview directly.
